

NSW SCIENCE & RESEARCH BREAKFAST SEMINAR SERIES

The 2019 NSW Science & Research Breakfast Seminar Series showcases the work of some of our best and brightest minds, highlighting the state's incredible strength across research, innovation and entrepreneurship.

Hosted by the Office of the NSW Chief Scientist & Engineer, the seminars attract up to 350 leaders from government, business and industry, academia and the R&D community in NSW – educating and inspiring them about the innovative R&D projects happening in our own backyard.
