THE NSW SCIENCE & RESEARCH BREAKFAST SEMINAR SERIES

The 2022 NSW Science & Research Breakfast Seminar Series showcases the work of some of our best and brightest minds, highlighting the state's incredible strengths across research, innovation and entrepreneurship.

Hosted by the Office of the NSW Chief Scientist & Engineer, each seminar attracts up to 350 leaders from government, business and industry, academia and the R&D community in NSW – educating and inspiring them about the innovative R&D projects happening in our own backyard.
