Attention Ms Mary O'Kane

Re: Review of CSG Activities in NSW

I am a member of the Caroon Coal Action Group, SOS Liverpool Plains and I am also a Liverpool Plains landholder. Most of my family are also landholders/employed in the agricultural industry in the Spring Ridge Quirindi area.

I am writing to you in support of the submission you have received from Mrs Rosemary Nankivell CSG Chairman of the Caroon Coal Action Group.

I am also concerned about the impact CSG will have upon the farmers of the Liverpool Plains specifically:

- the depletion and contamination of water resources
- the risks and the unknowns of the industry
- subsidence

I feel very strongly that productive areas like the Liverpool Plains should not be exposed to an industry that presents specific risks and where there is no evidence that it will add value.
