

THE NSW SCIENCE & RESEARCH BREAKFAST SEMINAR SERIES

The 2021 NSW Science & Research Breakfast Seminar Series showcases the work of some of our best and brightest minds, highlighting the state's incredible strengths across research, innovation and entrepreneurship.

Hosted by the Office of the NSW Chief Scientist & Engineer, each seminar attracts leaders from government, business and industry, academia and the research and development community in NSW – educating and inspiring them about the innovative work being undertaken in our own backyard.
