THE NSW SCIENCE & RESEARCH BREAKFAST SEMINAR SERIES

The 2023 NSW Science & Research Breakfast Seminar Series showcases the work of some of our best and brightest minds, highlighting the state's incredible strength across research, innovation and entrepreneurship.

Hosted by the Office of the NSW Chief Scientist & Engineer, each seminar attracts up to 350 leaders from government, business and industry, academia and the R&D community in NSW – educating and inspiring them about the innovative R&D projects happening in our own backyard.

Chief Scientist
& Engineer

The 2023 NSW Science & Research Breakfast Seminar Series is being held at two venues this year.

Fishburners, Level 2, Sydney Startup Hub, 11 York Street, Sydney 2000. The entrance is located next to Wynyard train station. Take the elevator to Level 2 and follow the signs.

The Strangers' Function Room at Parliament of New South Wales. Entry is via Macquarie

Street, Sydney. Guests entering Parliament of NSW are required to undergo routine security screening.

At both venues, breakfast, tea and coffee is served from 7.30am. Seminars commence at 8am sharp and conclude by 9am. For more information, please contact (02) 9228 3940.
