PLEASE see this the MINING INDUSTRY also show here the dire consequences of coal seam gas, shale gas, fracking, methane btex toxining of aussie houses, land, and babies

BAN IT NOW..... lock the gate until legislation..... will happen and is:

http://www.youtube.com/watch?v=M2Ozcl7IV_g

email me for more proofs: anytime thanks

Jane Hughes

our aussie scientists here: [CSG-20121109-CentreForCoastalBiogeochemistrySCU.pdf](#)

please let me know if you want more info:

another famous scientist here:

data research :

http://www.endocrinedisruption.org/files/NaturalGasManuscriptPDF09_13_10.pdf

and if I remember rightly DUTY OF CARE LAWS in Australia also pertain to destroying Australias economy livlihoods and toxining our houses and homes and babies is not on.....dire dire dire

thanks

Jane
