DEAR SIRs

I LIVE APP 2 KLMS FROM THE POST OFFICE AT GLOUCESTER. WHY HAS GLOUCESTER BEEN EXCLUDED FROM THE "NO GO " ZONE FOR CSG MINING WHILE THE REST OF NSW HAS THIS PROTECTION. ? SURELY GLOUCESTER COULD BE INCLUDED . JUST BECAUSE OF A TECHNICAL AGREEMENT BY THE FEDERAL MINISTER THAT OPPOSITION COULD ONLY BE CONSIDERED , WHY ?BECAUSE OF " NO IMPACT TO ENDANGERED SPECIES " , A DATE !

SURELY GLOUCESTER RESIDENTS SHOULD BE ALLOWED THE "BUFFER ZONE " PREMIER FARREL HAS IMPLEMENTED LIKE THE REST OF NSW !.

WE SHOULD ALLOW INVESTIGATION LIKE THE INDEPENDANT ROBERT OAKSHOTT HAS SUGGESTED. PLEASE CONSIDER WHAT MIGHT COME FROM SUCH AN INVESTIGATION . WHATEVER THE OUTCOME I ASK NOT ONLY FOR MYSELF BUT FUTURE GENERATIONS.

THE NSW PREMIER HAS BY INSTIGATING THE BUFFER ZONE HAS RECOGNISED THE POSSIBLE IMPACT ON RESIDENTIAL COMMUNITIES .

THE FEDERAL GOVERNMENT SHOULD AT LEAST DO LIKWISE.

I ASK THAT THIS SUBMISSION BE CONSIDERED. FOR AND ON BEHALF OF MANY RESIDENTS ,THEIR FAMILIES AND THE FUTURE GENERATIONS.

KIND REGARDS

DOUG BARRON
