Attention: Ms Mary O'Kane

I am a member of the SOS Liverpool Plains and live on a beautiful property on the Liverpool Plains with my husband and family.

I am writing to you in support of the submission you have received from Mrs Rosemary Nankivell, CSG Chair of the Caroon Coal Action Group.

I am extremely concerned about the impact CSG will have upon the Liverpool Plains specifically:

- the depletion and contamination of water resources
- the risks and unknowns of the industry
- subsidence

Area like the Liverpool Plains should not be exposed to an industry which poses such specific risks and does not add value to this area.

Kind regards,
